Our registration website offers the following payment options:

- Credit Card (Visa, Mastercard, AMEX). This is the preferred method.
  - Wire Transfer (USD). Available only until **June 13, 2025**. Wire transfer should be used in exceptional cases only if credit card payment is not possible.
- Registration will be considered complete only if the amount due is received in its totality in US Dollars in the bank account on or before the respective date (e.g., May 16, for early registration). It is your responsibility to ensure this will be the case. To help expedite the payment process, please send your wire transfer transaction information to [registration@robocup.org](mailto:registration@robocup.org). Wire transfer payments will be deactivated after **June 13, 2025**.

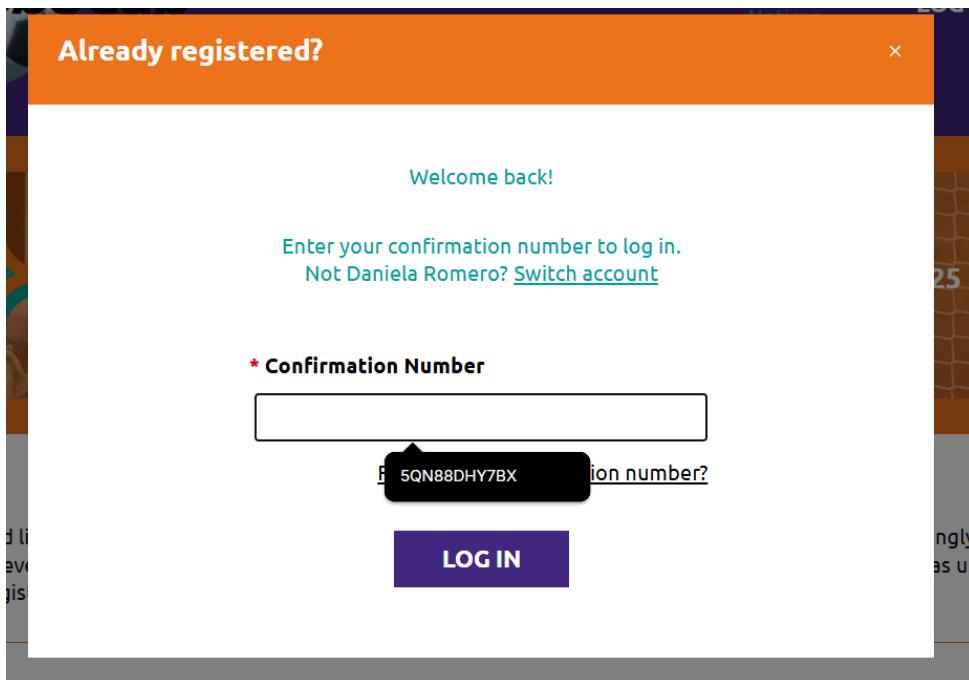

#### Visas and cancellation policy

Participants from some countries require a visa for Brazil. Once the team registration and member registration have been completed (received and paid in total), an invitation letter will be sent to those who requested one.

If your visa application is unsuccessful and your registration was completed (i.e., the payment received) by **May 25, 2025**, and your cancellation is requested on or before **June 13, 2025**, then the total registration amount will be refunded, except for a handling charge of \$100 per person, and \$100 for the team if the team is also canceled. Otherwise, there is no refund.
